Suitable Weight 40-50kg
Price 62,000yen w/o tax

PHILOSOPHY by TARO TAMAI

Take GENTEMSTICK with you whenever and wherever you go snowboarding. Try it on any terrain - any kind of snow. Whenever you sense danger, take cover behind a tree and listen to the nature; the sun, the moon, the rocks or the trees. They will all guide you to the right path. Follow their silent voices and slowly and gracefully draw your curves on the snow. You will experience the supreme bliss in the spray of snow glittering in the sunshine. Take time to converse with the birds and the wild animals. They might lead you to their very special secret spots. Please treasure your GENTEMSTICK, it contains the souls of precious trees that are dwindling from this planet. Before your first ride it, wax it, sharpen the edges, and infuse your own soul to give it life. Your GENTEMSTICK shall then be ready for its journey as a snowboard. After riding it, be sure to dry it and check thoroughly if there is nothing wrong with it. Lastly, put it in its case, ready for the next ride. Use the board as much as you can, and never waste it just as an interior decoration. Leave your tracks anywhere you find snow on Earth. Unite yourself with the slopes, relax and draw your lines as you wish to. Take a photo and send it to us. Share your moment of joy with the world. GENTEMSTICK is a device to help recalling your innate instinct and let you unite with the nature. When snowsurfing, you are putting yourself in an environment away from daily life and ruled by the laws of nature. And to be able to make the most of these fields, in other words the mountains and its climate, you need to learn about them, stay humble and be conscious of your own limits. Winter Mountains can be very hazardous. Avalanches and sudden weather changes are just one a spect. Be reasonable, be safe and enjoy your ride.

GENTEMSTICK はどんな山への旅でも、どんな雪でもこれ一竿持っているだけでいい。大きな一枚の山、岩と岩をすり抜けるシュート、ゲレンデのケーブル、いろいろな場所ですべって下さい。何か危険を感じたら木陰に隠れて耳を凝ら、太陽や月、岩や木々達の声を聞いて下さい。誰かがそっとあなたのための道を知らせてくれるでしょう。彼らの声に合わせてゆっくりとカーブを描いて下さい。舞い上がった粉雪が太陽の光に輝いて至福の時間が流れていきます。鳥達や動物の声を聞いたら、立ち止まって話をしてみよう。もしかすると、秘密のポイントを教えてくれるかもしれません。GENTEMSTICKは大切に持って下さい。地球上に残された数少ない木の魂が中に満たされています。乗る前は十分にワックスをかけエッジを磨いてあなたの気を入れて下さい。GENTEMSTICKはそれで初めてボードとして生まれるのです。ライディングの後は十分に水分を取って、なにか不都合はないか見てみましょう。最後にケースに入れて次の出番に備えて下さい。乗込んで磨きをかけ、決して部屋の隅の隅にはしないでください。地球上のあらゆる雪の上にカービングの歌を残して下さい。斜面に合わせ、肩の力を抜いて、自然体でエッジのおもむくままにラインを描いてください。写真に残したあの瞬間の感覚を呼び覚ますのが道具です。スノーサーフィンを楽しむには、現代の人間社会のルールからは離れてしまった、自然の役に支配された環境に存在する訳です。出るだけそのフィールドである山や、それを取り巻く自然環境について学び、自分自身の限界についても知らなければなりません。常に謙虚な姿勢が必要です。天候の急変、雪崩など、あらゆる危険から身を守り安全に無理のないライディングを心がけて下さい。
